Physician Careers at Prime Healthcare

Prime Healthcare

Saving hospitals. Saving jobs. Saving lives.

Your voice and leadership makes a difference

Join one of the leading and fastest growing hospital systems in the United States. From east to west, Prime Healthcare and our growing family of more than 40 hospitals across the United States and 43,500 healthcare professionals provide quality care and service to all members of the community.

Physician-Led, Patient-Centered

Through a physician-directed and patient-centered model, passionate dedication to quality, evidence-based best practices, operational efficiency, technology and capital investment, our hospitals are recognized among the best in the nation by Truven Health Analytics™, an IBM Company.

Founded by a physician with a mission to save hospitals and improve community healthcare, physicians play key roles within the leadership structure of our hospitals. Prime Healthcare stands apart from others by prioritizing investments in physicians' careers, including professional development, leadership opportunities, and access to tools that help you grow your practice.

An Award-Winning National Network. One World of Opportunity.

As the fifth largest healthcare system with a national footprint, Prime Healthcare physicians can work from coast to coast. Whether you're beginning a medical career, or embarking on a new path, we offer a wide range of career opportunities in the United States.

Resources to Help You

At Prime Healthcare, our mission is to help physicians advance the practice of delivering exceptional care. Let us manage the business side of healthcare, so you can focus on what matters most—patient care. Our corporate office provides a bundled package of resources to help you: practice management, marketing, patient scheduling, billing and collections, website development, financial management and information technology.

From Training to Practice

Depending on the physician preference, combined with the needs of the hospital, Prime Healthcare can assist physicians with either setting up a new private practice (through an income guarantee model), or joining a medical group as an employed physician.

Benefits

We offer a variety of benefits depending on your career path. Each opportunity has a competitive financial package that includes a base salary or income guarantee, a sign-on bonus, production incentives, relocation, malpractice, and much more.
