At Prime Healthcare, we care deeply about patients and their communities. Since the acquisition and transformation of our first hospital in 2001, we have saved and improved hospitals across the nation while providing compassionate, nationally recognized quality care. Founded by Dr. Prem Reddy, Prime Healthcare has grown to be among the largest for-profit health systems in the nation. As we continue to grow and fulfill our mission of “*saving hospitals, saving jobs and saving lives,*” we remain committed to delivering an exceptional patient experience and creating a legacy that will improve healthcare for all.

## Our Promise

To provide compassionate care and clinical excellence to all patients as we create hospitals that improve healthcare in every community we serve.

## Our Mission

To save and improve hospitals so that they can deliver compassionate, quality care to patients and better healthcare for communities.

## Our Values

**Quality** | We are committed to always providing exceptional care and performance.

**Compassion** | We deliver patient-centered healthcare with compassion, dignity and respect for every patient and their family.

**Community** | We are honored to be trusted partners who serve, give back and grow with our communities.

**Physician-Led** | We are a uniquely physician-founded and physician-led organization that allows doctors and clinicians to direct healthcare at every level.

- Prime Healthcare is the largest for-profit operator of hospitals in the state of California based on number of facilities, and has been named “The Fastest Growing Hospital System” in the country by *Modern Healthcare*.
- Prime Healthcare is a unique physician-founded and physician-driven health system with doctors and clinicians leading the organization at every level.
- Healthgrades recognized Prime Healthcare hospitals with more than 270 awards that include 20 “America’s Best by Specialty” awards as well as 64 Specialty Excellence and 194 5-Star awards. In addition, Prime Healthcare received more Healthgrades Patient Safety Excellence awards than any other health system in the nation. This marks the third year in a row Prime earned that distinction (2016-2018).
- The Prime Healthcare Foundation, a 501(c)(3) public charity, is dedicated to improving access to healthcare and increasing educational opportunities in healthcare. The Foundation has donated millions of dollars to turn around financially distressed hospitals. The Foundation also funded the newest medical school in California, the California University of Science and Medicine, located in San Bernardino. The school welcomed its first class of students in July 2018.
- The Prime Healthcare Foundation owns and operates 15 hospitals in California, Texas, Ohio, Georgia, Pennsylvania and Rhode Island. Many of these hospitals were acquired in or near bankruptcy, donated to the Foundation debt-free and are now vital community assets.
