45 Hospitals

14 States

14 Foundation Hospitals

At Prime Healthcare, we care deeply about patients and their communities. Since the acquisition and transformation of our first hospital in 2001, we have saved and improved hospitals across the nation while providing compassionate, nationally recognized quality care. Founded by Dr. Prem Reddy, Prime Healthcare has grown to be among the largest health systems in the nation. As we continue to fulfill our mission of ensuring health equity and delivering clinically excellent, value-based care, we remain committed to delivering an exceptional patient experience and creating a legacy that will improve healthcare for all.

Our Promise
To provide compassionate care and clinical excellence to all patients as we create hospitals that improve healthcare in every community we serve.

Our Mission
To save and improve hospitals so that they can deliver compassionate, quality care to patients and better healthcare for communities.

Our Values

Quality | We are committed to always providing exceptional care and performance.

Compassion | We deliver patient-centered healthcare with compassion, dignity and respect for every patient and their family.

Community | We are honored to be trusted partners who serve, give back and grow with our communities.

Physician-Led | We are a uniquely physician-founded and physician-led organization that allows doctors and clinicians to direct healthcare at every level.

» Prime Healthcare has ranked among the Top 10 health systems in the nation, and was the only health system recognized with the prestigious 2021 John M. Eisenberg Patient Safety and Quality Award for addressing social determinants of health.
