At [Prime Healthcare](#), we care deeply about patients and their communities. Since the acquisition and transformation of our first hospital in 2001, we have saved and improved hospitals across the nation while providing compassionate, nationally recognized quality care. Founded by [Dr. Prem Reddy](#), Prime Healthcare has grown to be among the largest health systems in the nation. As we continue to fulfill our mission of ensuring health equity and delivering clinically excellent, compassionate care, we remain committed to delivering an exceptional patient experience and creating a legacy that will improve healthcare for all.

Our Promise

To provide compassionate care and clinical excellence to all patients as we create hospitals that improve healthcare in every community we serve.

Our Mission

To save and improve hospitals so that they can deliver compassionate, quality care to patients and better healthcare for communities.

Our Values

Quality | We are committed to always providing exceptional care and performance.

Compassion | We deliver patient-centered healthcare with compassion, dignity and respect for every patient and family.

Community | We are honored to be trusted partners who serve, give back and grow with our communities.

Physician-Led | We are a uniquely physician-founded and physician-led organization that allows doctors and clinicians to direct healthcare at every level.

- » Prime Healthcare has ranked among the top 10 and top 15 health systems in the nation, and was the only health system recognized with the prestigious [2021 John M. Eisenberg Patient Safety and Quality Award](#) for its groundbreaking initiatives in social determinants of health that are consistent with the aims of the National Quality Strategy: better care, healthy people and communities, and smarter spending.
- » Prime Healthcare ranks among the top 10 health systems in the nation for social responsibility and cost efficiency, according to the [Lown Institute](#).
- » Prime Healthcare has more award-winning hospitals in patient safety than any other health system for eight consecutive years (2016-2023), according to [Healthgrades](#).
- » Eighty-five percent of Prime's hospitals earned an "A" or "B" in patient safety from [The Leapfrog Group](#) in Spring 2023, and seventy-five percent currently hold an "A" grade.
- » The [Prime Healthcare Foundation](#), a 501(c)(3) public charity, includes 14 not-for-profit hospitals. The Prime Healthcare Foundation has more than \$1 billion in assets and has provided more than \$2.7 billion in charity care, sponsoring local and global initiatives to improve lives.
- » The Prime Healthcare Foundation founded the [California University of Science and Medicine](#) to train the next generation of physicians. The university, located in San Bernardino County, graduated its inaugural class of MD students in May 2022.
