

Our Journey Forward

Your Path to Prime Healthcare

December 2024

Dear Ascension Illinois Teams,

As we celebrate the holidays, it brings us immense joy to extend a heartfelt welcome to all of you as the newest members of the Prime Healthcare family. We are honored and delighted to have you as part of our growing network of hospitals and caregivers.

At Prime Healthcare, we believe that healthcare is about more than just treating illness – it's about touching lives, building relationships, and making a lasting difference in every community we serve. Together, we are a family united by a shared mission to provide compassionate, award-winning care and clinical excellence. Your unique talents, dedication, and passion align with our values, and we are confident that our combined efforts will bring new opportunities, inspire innovation, and profoundly impact the lives of those we have the privilege to serve in Illinois and beyond.

As we look ahead to the new year, we are excited to embark on this journey together, paving the way for extraordinary achievements, meaningful connections, and transformative care. Your contributions are already valued, and we can't wait to see the incredible difference we will make as a team.

Wishing you and your loved ones a joyful, healthy, and peaceful holiday season and new year. May this time be filled with warmth, love and hope. Together, let us make the year ahead our best yet!

With deepest gratitude and warmest regards,
