## Our Promise

To provide compassionate care and clinical excellence to all patients as we create hospitals that improve healthcare in every community we serve.

## Our Mission

To save and improve hospitals so that they can deliver compassionate, quality care to patients and better healthcare for communities.

## Our Values

**Quality** | We are committed to always providing exceptional care and performance.

**Compassion** | We deliver patient-centered healthcare with compassion, dignity and respect for every patient and their family.

**Community** | We are honored to be trusted partners who serve, give back and grow with our communities.

**Physician-Led** | We are a uniquely physician-founded and physician-led organization that allows doctors and clinicians to direct healthcare at every level.

2022 California University of Science and Medicine Inaugural Class of MD Students

- » The Prime Healthcare Foundation founded the California University of Science and Medicine to train the next generation of physicians to serve disadvantaged communities in California and throughout the world. The university, located in San Bernardino County, graduated its inaugural class of MD students in May 2022.
- » Prime Healthcare Foundation hospitals have received **numerous safety awards, accolades and recognition** from organizations including Healthgrades, Premier, The Leapfrog Group, CMS, American Heart Association/American Stroke Association, and more.
- » In 2024, Prime Healthcare Foundation/Prime Healthcare hospitals earned the distinction of "**most socially responsible**" by the Lown Institute, receiving "**A**" grades for Social Responsibility, Health Equity, Patient Outcomes, Clinical Outcomes, and Inclusivity. Nearly half of Prime's hospitals were recognized for outstanding social responsibility, receiving an "**A**" grade on the 2024-25 Lown Institute Hospitals Index.
- » Prime Healthcare Foundation/Prime Healthcare received the prestigious 2021 John M. Eisenberg Patient Safety and Quality Award in the "**National Level Innovation in Patient Safety and Quality**" category. Prime was recognized for its cohesive program in groundbreaking initiatives in social determinants of health that are consistent with the aims of the National Quality Strategy: better care, healthy people and communities, and smarter spending.
