We are physician-founded, physician-led, and **transforming** hospitals.

At Prime Healthcare, we care deeply about patients and their communities. Since the acquisition and transformation of our first hospital in 2001, we have saved and improved hospitals across the nation while providing compassionate, nationally recognized quality care. Founded by Dr. Prem Reddy, Prime Healthcare has grown to be among the largest award-winning health systems in the nation. As we continue to fulfill our mission of advancing health equity and providing clinically excellent, compassionate care, we remain committed to ensuring an exceptional patient experience and building a legacy that will transform healthcare for all.

Prime Healthcare

Our Promise
To provide compassionate care and clinical excellence to all patients as we create hospitals that improve healthcare in every community we serve.

Our mission and our values guide how we conduct our business, what we believe in and where we are headed.

Our Mission
To save and improve hospitals so that they can deliver compassionate, quality care to patients and better healthcare for communities.

Our Values

Quality
We are committed to always providing exceptional care and performance.

Compassion
We deliver patient-centered healthcare with compassion, dignity and respect for every patient and family.

Community
We are honored to be trusted partners who serve, give back and grow with our communities.

Physician-led
We are a uniquely physician-founded and physician-led organization that allows doctors and clinicians to direct healthcare at every level.
