

Our Journey Forward

Your Path to Prime Healthcare

May 26, 2026

United in Purpose, Focused on the Future

As we continue this exciting new chapter together, we want to recognize the incredible dedication, resilience, and compassion shown by our Olympia Fields Hospital team throughout this journey. Every day, your commitment to our patients, physicians, and one another continues to strengthen the foundation of our future as part of the Prime Healthcare family.

From onboarding and education milestones to new systems, resources, and opportunities for growth, each step forward reflects the shared purpose that brings us together: delivering exceptional care while supporting one another along the way. We are grateful for all that you do and excited for all that lies ahead as we continue building a strong future together.

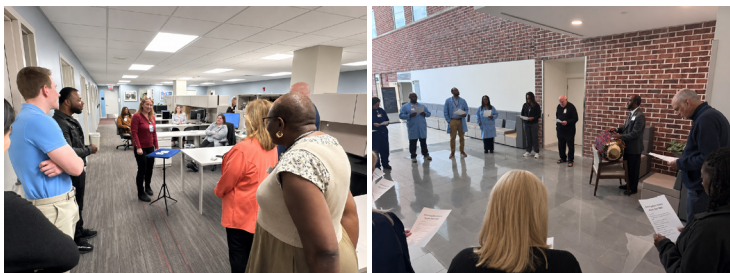

Hospital Week 2026 Celebrates the Heart of Olympia Fields Hospital

During National Hospital Week 2026 (May 10–16), Olympia Fields Hospital staff were celebrated and recognized for their dedication and service through a variety of special events and activities.

Team members enjoyed the “TIM... That’s Amazing!” magic, mentalism, and comedy show, which brought laughter, inspiration, and moments of connection to healthcare providers while reinforcing the meaningful message:

“You Matter!”

Throughout the week, staff also participated in several appreciation activities, including a Blessing of the Hands ceremony, onsite spa day, Thirsty Thursday refreshments, and Friday doughnuts.

Contacting Human Resources

The IllinoisHR@primehealthcare.com inbox has been closed. Moving forward for HR support, please contact the HR department directly at **OFILHR@primehealthcare.com** or stop by our office Monday - Friday, 7:30 a.m. - 4:00 p.m.

Continuing Your Journey with Prime: Mandatory NAO Sessions

The Education team is excited to continue supporting associates throughout the transition by providing ongoing updates and reminders regarding the mandatory New Associate Orientation (NAO) sessions for current employees. These engaging three-hour sessions are designed to help associates learn more about Prime Healthcare, available resources, and what to expect moving forward.

Associates are required to attend one session, with multiple dates and times available throughout May and June to accommodate varying schedules.

Prime Healthcare

Saving hospitals. Saving jobs. Saving lives.

All sessions will be held in the Auditorium, except for the final two sessions in June.
